PROGRAMME

3rd GSA Open Days

From Space to you

All the **workshops** will be delivered by Space and GSA experts, who will be available for your questions during the Open Days.

Friday, 8 December

Every hour beginning at 8.00, seminars on “Satellite Navigation + Europe = GSA” will be given in Czech and in English. Schools should register in advance to attend.

Saturday, 9 December

10.00: The GSA, a European Union Agency in Prague, and the Centre of the European Satellite Navigation Programme (CZ)

12.00: From Navigation to Satellite Navigation (CZ)

14.00: Satellite Navigation for Aviation (CZ)

15.00: Satellite Navigation + Europe = GSA (EN)

16.00: Satellite Navigation + Europe = GSA (CZ)

17.00: EGNOS and Galileo in Aviation (CZ)

The 3rd GSA Open Days will feature a range of fun activities designed to help visitors of all ages learn more about space, the European Union and satellite navigation, including:

Space Workshops: Attend a variety of thought-provoking lectures about space and satellite navigation by GSA and Czech experts.

Follow Galileo: Don't miss your chance to follow the satellites and learn more about Galileo.

Virtual Reality Experiences: Virtual reality tools will give you the opportunity to experience a helicopter mountain and sea rescue with the help of Galileo and EGNOS, the European Satellite Navigation programmes.

Space and Art: Space can be seen from many different perspectives. At Open Days, ‘artists’ of all ages will have the opportunity to draw their vision of space and satellite navigation. The works of art will then be displayed in the GSA Headquarters.

Quiz Corner: Satellite Navigation and Europe will no longer be a mystery after a visit to the GSA. It will be the perfect time to try our quiz and win some prizes.

Picture Corner: Take a walk around Europe and get your picture at some of its most famous monuments.

Mapiti Contest: Use the new Mapiti App to draw with Galileo and win prizes.
