Question #66
In case of a re-submission of proposal (following a withdrawal for the initial proposal), is it possible to provide copies of the original administrative documents knowing that the originals have already been provided with the withdrawn proposal which remains with GSA for archival purposes?

Answer #66
A withdrawn proposal must remain sealed and archived at the GSA. As a result, if a tenderer wishes to re-submit a proposal, all required information must be provided again with the new proposal within the indicated deadline for submission of offers.
