

Clarification Note #7

Procurement procedure: GSA/OP/32/15 "SUPPORT SERVICES FOR THE GSA"

Clarification #19: TENDER SUBMISSION DEADLINE

For avoidance of doubt – the tender submission deadline for Lots 1, 2 and 4 remains unchanged and is 11/07/2016, and only the deadline for Lot 3 is extended to 30/09/2016. The corrigendum published in OJ notifies of the changed submission deadline for Lot 3 – apart from indication of the tender submission deadline modification, it further notifies of correction to the instructions to tenderers which will be available. These further corrections have been made available on the GSA website <http://www.gsa.europa.eu/gsa/procurement> where the tender documents are uploaded (the website address specified in the original contract notice) – see corrigendum 1.
