

Announcement of a planned tender procedure

Procurement procedure title: Provision of assets insurance to the GSA

Procurement procedure reference: GSA/NP/12/19

The European GNSS Agency (GSA) is planning to organise a tender procedure having the following characteristics:

- Type of procedure:** Negotiated procedure for middle value contracts.
- Subject-matter:** The subject matter of the procurement procedure is the provision of insurance services for GSA movable assets inside and outside the GSA premises. A list of GSA premises is presented in Annex I below. The GSA will conclude a service contract with the selected candidate for initial period of one year, which shall be renewable up to three times for a total maximum duration of four years.
- Estimated value:** Up to 120,000.00 EUR (for 4 years)
- Estimated timeline for launch of procedure:** May/June 2019

The GSA reserves the right to change the scope, estimated value and timeline of the procedure.

If you are interested in participating in the tender above, please express your interest by sending an email before **10/05/2019, 17:00 (Prague local time)** to the following email address: tenders@gsa.europa.eu. The subject of the email shall be "GSA/NP/12/19 - Provision of assets insurance to the GSA".

No further information is required at this stage of the procedure. Economic operators having expressed their interest will be invited to submit an offer.
