

## **CORRIGENDUM 1**

**Title of Procedure: Integration of Fundamental Elements**  
**Publication Reference: GSA/OP/12/16**

**Date: 12/04/2017**

**I. The following section is added in the Tender Specifications:**

**2.2.3 Supplementary activities**

In duly justified circumstances, contracting authority may consult in writing the contractor, requesting it to supplement its tender, provided the specification used for setting up the FWC shall not be substantively changed. Specific contracts shall be established on the basis of the unit prices indicated in the offer (Annex II to the framework contract), however, the GSA may request the contractor to propose supplementary services and / or supplies of the same type as those listed in the tender. The supplementary elements may not depart from the essential terms fixed in the framework contract and may be requested only if they are absolutely necessary for the execution of the request for services. Supplementary elements will be ordered on the basis of a quote provided by the contractor which shall require prior approval by the GSA.

**II. Footnote no.7 in page 30 of the Tender Specifications is modified as follows:**

The GSA is exempt from all taxes and dues, including value added tax (VAT), pursuant to Articles 3 and 4 of the Protocol on the privileges and immunities of the European Communities, these must not be included in the price. Upon signature of the contract the GSA shall issue a VAT certificate to the Contractor. No VAT exemption certificates shall be issued to the subcontractors.
