II. The list of minimum requirements in Section 2.2.5 of Annex I to Invitation to Tender ‘Tender Specifications’ is modified as follows:

Ref. #	Minimum requirement	To be evidenced by	Applicable to
Lot1.M1	The services offered must be compatible with Skype for Business and the existing GSA infrastructure.	Proof of compatibility including at least a service specification in the technical proposal demonstrating compliance with the requirement.	
Lot1.M2	The Tenderer must commit to provide up to 200 local dial-in numbers for France, 100 local dial-in numbers for Spain and 100 local dial-in numbers for the Netherlands.	Local numbering plan including service specification in the technical proposal demonstrating compliance with the requirement.	
Lot1.M3	<ul style="list-style-type: none"> - The Tenderer must commit to: - Deliver a SIP trunk or other access technology capable of at least 20 concurrent SIP or equivalent channels; with the capability to increase the number to 30, 40 or 50 concurrent SIP or equivalent channels. - To provide caller-ID so that the recipient of the call shall be able to see the local dial in number assigned to the GSA; - Ensure the minimum bandwidth 100 kbps per SIP or equivalent channel. - Ensure the minimum security level by implementation of TLS or equivalent communication 	Service specification in the technical proposal demonstrating compliance with the requirement.	Tenderers (including all consortium members and any proposed subcontractors cumulatively)

Ref. #	Minimum requirement	To be evidenced by	Applicable to
	protocol and 128-bit encryption.		
Lot1.M4	- The Tenderer must commit to provide invoices with a breakdown of the outgoing calls.	Invoicing methodology description in the technical proposal demonstrating compliance with the requirement.	Tenderers (including all consortium members and any proposed subcontractors cumulatively)
Lot1.M5	- The Tenderer must commit to provide the emergency calls services in the respective countries (France, Spain, Netherlands).	Service specification in the technical proposal demonstrating compliance with the requirement.	

Failure to comply with any of these minimum requirements will lead to the rejection of the tender.

III. Section 3.2.2 of Annex I to Invitation to Tender ‘Tender Specifications’ ‘Financial and economic and capacity criteria’ (applicable for both Lot 1 and Lot 2)’ are modified as follows:

Ref. #	Financial and Economic and capacity	To be evidenced by	Applicable to
F1	Tenderers must be in a stable financial position and have the economic and financial capacity to perform the Contract.	Submitting a full copy of the Tenderer’s annual accounts (balance sheet, profit and loss account, notes on the accounts and auditors’ remarks when applicable) and financial statement in the form provided in Annex I.E.	Tenderer – in case of consortium – to each consortium member individually and any subcontractor whose capacities were used to demonstrate compliance to selection criterion F2
F2	The Tenderers shall prove minimum annual general turnover of: <ul style="list-style-type: none"> • Lot 1: 50,000.00 € • Lot 2: 100,000.00 € In case the Tenderer intends to submit a proposal for more than one lot, the minimum yearly turnover threshold shall be equal to the sum of minimum thresholds of the corresponding lots. If the Tenderer does not have this turnover, it shall submit, upon notification of award by the GSA, any other elements demonstrating the financial and economic capacity to perform the Contract.	Submitting a statement of overall turnover and turnover relating to the relevant services of the last three years , as approved by the competent body of the company and, where applicable, audited and/or published in the form provided in Annex I.E.	Tenderers (all consortium members and subcontractors* cumulatively)

Important Notes:

**The Tenderer may rely on third parties support in order to fulfil criterion F2 (“supporting third parties”) which will make available their economic or financial standing for the purpose. The liability of the supporting third parties shall be limited to the scope of their capacities made available for the purpose of the tender.*

If, for some exceptional reason which GSA considers justified, the Tenderer is unable to provide one or other of the above documents, the Tenderer may prove its economic and financial capacity by any other document which GSA considers appropriate. In any case, GSA must at least be notified of the

exceptional reason and its justification in the tender. GSA reserves the right to request any other document enabling it to verify the Tenderer's economic and financial capacity.
