

## Announcement of a planned tender procedure

**Procurement procedure title: Provision of medical services to the GSA**  
**Procurement procedure Reference: GSA/NP/03/19**

The European GNSS Agency (GSA) is planning to organise a tender procedure having the following characteristics:

- Type of procedure:** Negotiated procedure for middle value contracts
- Subject-matter:** The subject-matter of the procurement procedure is provision of medical services to the GSA. Required medical services shall comprise particularly: (i) pre-recruitment medical examination of candidates, (ii) annual medical check-up of GSA's staff members, (iii) seasonal influenza vaccination, (iv) medical advisor services, (v) participation in meetings with the GSA's management, (vi) granting access to and submission of medical files to GSA staff member and candidates, (vii) submission of medical files to the GSA. The GSA will conclude a Framework Service Contract with the selected candidate for initial period of one year, which shall be renewable up to three times for a total maximum duration of four years.
- Place of performance:** Prague, Czech Republic
- Estimated value:** 90,000 EUR (for 4 years)
- Estimated timeline for launch of procedure:** March-April 2019

The GSA reserves the right to change the scope, estimated value and timeline of the procedure.

If you are interested in participating in the tender above, please express your interest by sending an email before **11/03/2019, 17:00 (Prague local time)** to the following email address: [tenders@gsa.europa.eu](mailto:tenders@gsa.europa.eu). The subject of the email shall be "GSA/NP/03/19 – "Provision of medical services to the GSA".

No further information is required at this stage of the procedure. Economic operators having expressed their interest will be invited to submit an offer.
